Helping homeless people

**Saturday 16th May**

Due to the virus that shall not be named, Stonepillow were so disappointed that we couldn't run our annual event 'The Big Sleep Out' in Bognor Regis that we decided to do it anyway!

Join in the fun by changing where you sleep for just one night, and help us raise funds and awareness for homeless and vulnerable people. Find somewhere unusual to sleep, or simply sleep somewhere different!

For more details and info pack, please visit our website [www.stonepillow.org.uk](http://www.stonepillow.org.uk)

**Let's get everyone involved!**
